INTERNATIONAL RANGE

MORCILLA-STYLE SAUSAGE

Discover our Vegan Morcilla, a plant-based take on the traditional Spanish blood sausage. Made with a flavorful mix of spices and hearty ingredients, it replicates the rich, savory taste of the original without any animal products.

MEDITERRANEAN-STYLE MEATBALL

The vegan meatball, perfectly seasoned as a mediterranean style and packed with protein, it offers a delicious and eco-friendly alternative.

ORIENTAL-STYLE BURGER

Savor the taste of the Orient with every bite and enjoy a deliciously innovative approach to plant-based dining. Experience the harmony of bold flavors and wholesome ingredients today!

SPANISH SPECIALITY

TUNA INSPIRED BURGER

The tuna flavour burger, a delightful plant-based alternative that brings the fresh taste of the sea to your plate. Made with high-quality ingredients, it perfectly captures the flavor and texture of traditional tuna without any fish.

SALMON INSPIRED BURGER

The rich flavors of the salmon with a sustainable and delicious option that's perfect for both seafood enthusiasts and those pursuing a plant-based lifestyle.

DELIGHTS OF THE SEA

VEGETABLE-POWERED

ARTICHOKE BURGER

A unique and savory plant-based creation that celebrates the fresh, earthy flavors of artichokes. With wholesome ingredients this burger is perfect for those seeking a gourmet and nutritious alternative.

CAULIFLOWER & BEETROOT BURGER

Crafted from fresh cauliflower and a blend of beetroot and aromatic spices, this burger offers a subtle nutty flavor and a satisfying texture. It's a perfect low-calorie, plant-based alternative that doesn't compromise on taste.
